

Laser Price Guide

Leg Veins, Vascular lesions on the body, Cherry Angiomas

Laser therapy is priced per pulse.

The number of pulses varies depending on the size of the area treated.

The maximum price is the upper limit one can expect to pay for pulses in that range.

No. of Pulses:	Area Size Range:	Maximum Price (R):
1 - 10	3 - 30mm	420
11 - 40	33 - 120mm	820
41 - 100	123 - 300mm	1800
101 - 200	303 - 600mm	2800
201 - 400	603 - 1200mm	3850
401 - 500	1203 - 1500mm	5050
>500*	>1500mm	>5055

*Areas larger than 500 pulses are not suitable for laser treatment of veins, vascular lesions and cherry angiomas in one sitting. Larger areas will be split over 2 or more appointments.

Recommended number of treatments for vascular lesions:

Minimum 4 at 8 weekly intervals.

Individual results may vary.
